## Personal profile

### Education

- 1995 PhD, Graduate School of Mining, Metallurgy and Materials Science, National Cheng Kung University

### Research Interests

- Ceramic Processing
- Electroceramics
- Solar Cell Materials

### Experience

- 1995 ~ 2000 RD Director and Assistant Vice President, Mag. Layers Co. Ltd.
- 2000 ~ 2001 Assistant Professor, Department of Materials Science and Engineering, I-Shou University
- 2001 ~ 2004 Assistant Professor, Department of Resources Engineering, National Cheng University
- 2004 ~ 2008 Associate Professor, Department of Resources Engineering, National Cheng University
- 2008 ~ present Professor Department of Resources Engineering, National Cheng University
