Dear Soner

Status:

- a) External examiner 1 signed NDA completely
- b) Another External examiner 2 signed NDA only on his part but don't want to get a witness to sign
- c) Internal examiner signed NDA completely
- d) Oral panel member and Chairman willing to be your examiner but declined to sign NDA.

Do advise if we should change the External examiner 2, Oral panel member and Chairman?

Or can we proceed with them not signing NDA.

Thank you and best regards

Harwati

Dear Harwati,

Thanks for the information. Can you please proceed with asking if the examiners can sign the NDA?

The request is coming directly from my employer and the managing director of the company that I am working.

Bests,

Soner

Dear Harwati,

Just to clarify, the examiners were asked to sign the NDA and they refused or the ones that are found do not have NDA signed at the moment?

Bests,

Soner

Dear TingFang,

Hope that you are feeling better today. Thank you for the notification. I understand that there will be a waiting process from my side. I know that I will and should not know who are the examiners. My question is will there be a notification when the nomination process is complete? So that I can have a better understanding of what is the timeline for amendment and for the oral defence.

Regarding the thesis format, noted with thanks.

Bests,

Soner
