Asc. Prof. Venia Doc. Dipl.-Ing. Dr.techn.

Günther Retscher

Tel. +43 (1) 58801 – 12847

Fax. +43 (1) 58801 – 12894

E-Mail: guenther.retscher@tuwien.ac.at

Research Interest

Positioning and Navigation with GNSS
 Location Based Services (LBS)
 Indoor and Pedestrian Navigation
 Applications of Multi-sensor Systems
 Sensor Fusion

Academic Background

2009	Privatdozent (Venia docendi), Vienna University of Technology, Austria.
1992-1995	Graduate studies, Vienna University of Technology (Dr.techn.)
1986-1992	Undergraduate studies (surveying), Vienna University of Technology (Dipl.-Ing.).

Professional Experience

since 2009	Associate Professor, Engineering Geodesy, Institute of Geodesy and Geophysics, Vienna University of Technology, Austria.
2001-2009	Assistant Professor, Engineering Geodesy, Institute of Geodesy and Geophysics, Vienna University of Technology, Austria.
1998-2001	University Assistant, Applied and Engineering Geodesy, Institute of Geodesy and Geophysics, Vienna University of Technology, Austria.
1997-1998	Lecturer, Department of Land-Surveying and Geo-Informatics, Hong Kong Polytechnic University, Hung Hom, Kowloon, Hong Kong.
1992-1997	University Assistant, Applied and Engineering Geodesy, Institute of Land Surveying and Engineering Geodesy, Vienna University of Technology, Austria.
1987-1992	Teaching Assistant, Institute of Geometry, Vienna University of Technology, Austria.
