Hi Tariq,

Congratulations, I have managed to get your thesis approved from PCC.
Since the thesis is containing Rolls-Royce IP which are not submitted/ published yet, we have to take due diligence on compliance to process. Please seek advice from Amit/Rejeki/Tarshan on the process do's and don'ts that need to be followed and make sure we would not risk the Rolls-Royce IP.

You have got the following comment from Mark. "Approved - Good Luck a good PhD with strong supporting papers and patents"

I will you good luck for a speedy examination process.

Thank you

Best regards

Chandana
