

Electrical and Computer Engineering

Mark S. Lundstrom

Don and Carol Scifres Distinguished Professor of Electrical and Computer Engineering

Office: WANG 3055

Office Phone: +1 765 49-43515 

Fax: 765-49-66026

E-mail: lundstro@ecn.purdue.edu

Address

Purdue University
School of Electrical and Computer Engineering
Hall for Discovery & Learning Research
207 S. Martin Jischke Dr.
West Lafayette, Indiana 47907-1971

Degrees

- BEE, University of Minnesota, 1973
- MSEE, University of Minnesota, 1974
- PhD, Purdue University, 1980

Doctoral Dissertations Advised (a partial list only)

Research

Semiconductor device physics, charge carrier transport, computational electronics, physics and limits of nanotransistors

Areas of Interest

- ◆ Microelectronics and Nanotechnology
- ◆ Indicates primary area for this faculty member. Note that a few faculty members have more than one primary area.
