About Scopus Author Ic

The Scopus Author Identifier assigns a unique number to groups of documents written by the same author via an algorithm that matches authorship based on a certain criteria. If a document cannot be confidently matched with an author identifier, it is grouped separately. In this case, you may see more than one entry for the same author. Return to search results 1 of 1 合 Print 1 h-index: ⊚ View h-Alatise, Olayiwola Follow this Author 11 Muktahir View potential author matches The University of Warwick, School of Engineering, Documents by author Coventry, United Kingdom 76 Author ID: 25926328400 Analyze author c Other name formats: (Alatise, O.)
